Due to the COVID-19 pandemic, not all of the courses given on the forms will actually be taking place. It is possible that further seminars will be offered during the semester break, however, this is still not clear, Dr. Reitelmann will keep you updated in this matter. Therefore, please register for all the courses that you are interested in getting credits. If the courses do not take place, then your registration will simply be ignored.

Please make sure to complete the form which applies to you. There are three forms in accordance with the different module structures:

- **Module structure - effective from 01 October 2019** - for students who began their studies in the winter semester 2019/2020
- **Module structure - effective from 01 October 2017** - applies to students who began their studies either in the winter semester 2017/2018 or 2018/2019
- **Module structure - up to summer semester 2017** - applies to students who began their studies before the winter semester 2017/2018

All module structures are on the LSI exam office website for your reference.

As stated above, please register only for those courses in which you intend to participate and get credits.

A withdrawal form has also been enclosed in the event that you have registered for a course and later on decide that you do not want to fulfill the course requirements for credits.

- Withdrawal from the LCs/seminars is possible one week before the end of the semester, i.e. the latest by 10.07.2020.
- As the exam dates have still not been fixed, I will inform you later regarding the deadline for withdrawing from lecture courses.
- Please note if you are registered for an exam and cannot attend, you must submit a medical certificate (the form to be completed by your physician is also on our website under Timetable and Exam Schedule). Failure to do so will result in a grade of "5", so please make sure to take this into consideration.

For further information, please refer to the exam regulations to be found on the b-it programs, M.Sc. in Life Science Informatics website.

Please do not forget to sign the form! The form should be submitted as a PDF per email to the exam office (examoffice-lsi@bit.uni-bonn.de) at the latest by:

**Friday, 08 May 2020**

Please note that it will not be possible to register for courses after this deadline. No exceptions will be made.
