Academic Advisory Team – Who are we?

• Rene Roepke
  • Responsibilities:
    • All issues during your studies (e.g. exams, courses, thesis, visa)
    • General questions
  • Contact: msc-mi@b-it-center.de

• Arnab Chakrabarti
  • Responsibilities:
    • All issues before your studies (e.g. applications, enrolment, accommodation)
    • Some issues during your studies (Transfer of Credits from previous studies)
  • Contact: msc-mi@b-it-center.de
The enrolment
Cooperative Study program

• You are a student of Media Informatics.

• Officially, you are enrolled at RWTH Aachen University but your first year you will be studying at b-it in Bonn.

• Courses are offered at b-it, RWTH Aachen and Uni Bonn. Special lab courses are offered at Fraunhofer FIT and IAIS.
If you are not enrolled yet...

• Check the following pages for enrollment information.

• You will study at b-it first, but you can participate in the Welcome Week for International Students at RWTH Aachen University.

• In case of enrollment questions, please contact the International Office at int-zugang@rwth-aachen.de.
After enrolling at RWTH Aachen University

• You are an official student of RWTH Aachen University.
• Make sure to pay the „student body and social contribution fee.“

• You will have access or receive the following „things“:
  • SelfService „RWTH Single Sign-On“ (see details)
  • Student ID „Blue Card“ (see details)
  • Transportation Ticket „Semester Ticket“ (see details)
  • RWTH-Mail „your.name@rwth-aachen.de“ (see details)

• Please check here for more details on what to do!
After your enrolment...
Studying at RWTH, Uni Bonn and b-it

• After Immatriculation at RWTH Aachen
  • Access to RWTH services
  • Access to RWTHonline and RWTHmoodle

• Check the RWTHonline -> Documents
• Download the Enrolment Certificate

• However, you start your studies at b-it and want access to services of b-it and Uni Bonn as well.

You should have both after your enrolment at RWTH
Getting your Uni Bonn ID (1/2)

• You need a Uni Bonn ID to use various Uni Bonn services (e.g. eCampus)
• Make sure you are enrolled at RWTH Aachen University – check RWTHonline documents for enrolment certificate and download it!
• Please visit the following site to fill out an online registration form:
  ➢ https://www.hrz.uni-bonn.de/de/services/identity-management/regelungen-dokumente/benutzungsantraege
  • Select „New application“
  • Select „Guest“ -> „Cooperative study program media informatics Aachen“
  • Enter personal information etc.
  • Important! Enter your German address!
  • Finally you’ll receive a printable form that you need to sign.
Getting your Uni Bonn ID (1/2)

• Next steps:
  • Sign and scan the printed registration form.
  • Attach a scan of your passport and an enrolment certificate (download in RWTHonline -> Documents; after enrolment at RWTH).
  • Next, you may decide between pick-up your Uni Bonn ID at HRZ (after 48h) of Uni Bonn or delivery to your postal mail address (may need 3-4 business days).
  • Now please send your a scan of the signed form, of your passport and the enrolment certificate to info-hrz@uni-bonn.de and ask for pick-up at HRZ or delivery.
  • If you chose pick-up at HRZ of Uni Bonn, please bring your passport for identification.
    • How to find the HRZ: https://www.hrz.uni-bonn.de/en/the-hrz/besucherinfos/how-to-find-us?set_language=en

The study program
Studying at b-it

http://www.b-it-center.de/b-it-programmes/msc-in-media-informatics/

• All mandatory/compulsory courses are offered at b-it in Bonn.
• Additional elective courses, seminars and labs are offered at Uni Bonn, RWTH Aachen or in cooperation with Fraunhofer FIT and IAIS.
• We recommend starting at b-it and living in Bonn for at least the first year.
• After completing all mandatory courses you can move to Aachen and take further elective courses at RWTH Aachen.

• Classes:
  • Winter Semester: Mid/Begin of October – End of January
  • Summer Semester: Mid/Begin of April – Mid/End of July

• Exam periods:
  • Winter Semester: End of January – End of March
  • Summer Semester: Mid of July – End of September

• Christmas break: 2 weeks in December/January
First semester (recommendation)

• Two compulsory modules:
  • Computer Graphics (6 ECTS)
  • Designing Interactive Systems (6 ECTS)

• Two or three elective modules:
  • 4, 6 or 8 CP modules at b-it, e.g.
    • eBusiness; Design Thinking; CSCW; Language, Mind, & Media

• One compulsory module in Feb/Mar 2020
  • Technical Writing (4 ECTS) – 1 week intensive course

• Preliminary timetable for Winter 2019/2020 can be found here.
Bridging course „Foundations of Informatics“

https://crypto.bit.uni-bonn.de/teaching/19ws/brico/

• Theoretical Computer Science Course offered by Dr. Nuesken, Prof. Woeginger, Prof. Noll.

• Recommended due to the strong theoretical background of computer science bachelor programs in Aachen and Bonn.

• Mandatory for some of you
  ➢ Check your acceptance letter or ask at msc-mi@b-it-center.de

• Open and Free for everybody
  ➢ No Credit Points
Dates for Winter Semester 2019/2020

• Semester starts on October 1st, 2019

• **Bridging Course**
  • *Online Phase* starts in September 2019
  • *Classroom Phase* starts on October 7th, 2019
  • Details: [https://crypto.bit.uni-bonn.de/teaching/19ws/brico/](https://crypto.bit.uni-bonn.de/teaching/19ws/brico/)

• All other **classes at b-it** start on October 21st, 2019

• **Classes at RWTH Aachen and Uni Bonn** start on October 7th, 2019

• Further details about the academic calendar can be found [here](https://crypto.bit.uni-bonn.de/teaching/19ws/brico/).
Courses at Uni Bonn

• MI students are allowed to take almost every course from the CS department at Uni Bonn.

• You can review all offered courses at the BASIS system of Uni Bonn.

• If you are interested in a course at Uni Bonn, please quickly check with msc-mi@b-it-center.de to see if the course is accepted for MI.

https://basis.uni-bonn.de/
German Language Courses

• Part of your curriculum is a mandatory German Language Course
  • 4 ECTS, 4 SWS, one semester

• You can take this course at Uni Bonn or RWTH Aachen

• At RWTH Aachen the language center handles course registrations:
  • [https://www.sz.rwth-aachen.de/cms/SZ/Deutsch/~lgvd/Ihr-Lotse-fuer-Deutschkurse/lidx/1/](https://www.sz.rwth-aachen.de/cms/SZ/Deutsch/~lgvd/Ihr-Lotse-fuer-Deutschkurse/lidx/1/)
  • In case of questions, please contact the Language Center at RWTH

• At Uni Bonn the international office handles course registrations:
  • In case of questions, please contact Sonja Hammer at Uni Bonn.
Seminar & Lab Courses in 2. and 3. semester

Two types of labs and one seminar

- One Fraunhofer lab
- One additional lab from CS departments at Uni Bonn or RWTH Aachen University
- One seminar from CS departments at Uni Bonn or RWTH Aachen University
Fraunhofer Labs

• The Fraunhofer labs are for MI students only – they are in cooperation with one of the Fraunhofer institutes
• There will be a special registration for Fraunhofer labs
• Past (and sometimes reoccurring) offers:
  • Data Visualization and Analytics Lab
  • Blockchain Experience Lab
  • AI Language Technology Lab
• Reminder E-Mail with instructions will be sent!
Seminars & Labs from RWTH Aachen

https://algo.rwth-aachen.de/fgi/

• Central allocation procedure for CS department
  • Interim solution – the department is working on a bilingual modern version

• Selection takes place end of preceding semester’s lecture period
  • in January/February for summer term
  • in June/July for winter term

• Register and choose which seminar(s)/lab you want

• Slots are being allocated thereupon

• Provide meaningful information, choose carefully!

• Reminder E-Mail with instructions will be sent!
Seminars & Labs from Uni Bonn

- Seminar and Lab allocation at Uni Bonn is done decentralized. You can contact instructors directly and ask to participate in labs and seminars.

- Take a look at the BASIS system or the different chairs for upcoming offers.

https://basis.uni-bonn.de/
Transfer of Credits

• What can be transferred:
  • Credits from your “4+ year” bachelor and other master programs so far
  • Programs should have taken at least four years!
  • Courses must be Master’s-level CS courses – 4+ year courses
  • may be similar to courses in the MI program
  • will be filed according to MI program structure
  • maximum: 30 credits
  • grades of transferred courses have to be better than German 2.7

• Deadline: Mid of November (we will send detailed instructions)

• We need:
  • letter containing which courses you want to be transferred (incl. your name, email, student ID, prioritization)
  • copy of the transcripts of your previous studies
  • (official) description of grading scheme
Systems & Services
RWTHonline – Campus Management System

• This system bundles most study related services.

• It contains...
  • module catalogue and module offers for each semester
  • module and course registrations, timetables, room information
  • exam registrations and grades
  • administrative documents (transcript, payment receipts)
  • further organizational information

• You should be able to login with your Single Sign-On credentials
  • In case of problems please contact the IT-Service Desk

https://online.rwth-aachen.de/
Central Examination Office (ZPA)

• Any issue with exams, grades, registrations, withdrawals etc. are handled by the ZPA of RWTH Aachen University.

• If you are sick on an exam date, you’ll need to inform the ZPA and attach a medical attestation form by your doctor (see details).

• The ZPA handles thesis registration and checks if you are eligible.

• Your contact person can be found here.

• Further information on ZPA, see here.
Examination Board

• The Examination Board is a committee of the CS department
• It consists of Professors, Employees and Students
• It decides on program-related issues and individual appeals by students, e.g. late registration for exams, transfer of credits.
• All appeals can be done online.
• Average processing time of an appeal is 4-8 weeks.
• In case of questions, please ask your academic advisory team via msc-mi@b-it-center.de before sending an appeal.
Prolongation of Residence Permit/Visa

• If you cannot finalize the program in time, it is possible to prolong your residence permit
• In most cases, your visa office informs you about the upcoming end of your visa
• Procedure:
  • Get your intermediate transcripts at RWTHonline
  • Get a certificate at the International Office or Visa office
  • Fill out an appeal at https://pa.informatik.rwth-aachen.de/list_en/certificate-of-progress-of-studies/
Sports at Uni Bonn or RWTH Aachen

• As students of RWTH Aachen and Uni Bonn, you have access to various sport offers.

• Registration happens online in specific time periods.

• Please check the websites of both sport departments
  • https://www.sport.uni-bonn.de/?set_language=en
  • https://hochschulsport.rwth-aachen.de/cms/~icgi/HSZ/?lidx=1

• In case of questions, please contact the respective sports department.
Student groups at Uni Bonn or RWTH Aachen

• There are various student groups (e.g. environmental, social, music, arts, etc.) that you can join!

• See these links for groups at Uni Bonn or RWTH Aachen
  • http://www.asta-bonn.de/Services#Student_Groups
  • https://www.uni-bonn.de/studium/im-studium/studentisches-leben/studentische-gruppen?set_language=en
  • https://www.rwth-aachen.de/cms/root/Studium/Im-Studium/~ejt/Engagement-Freizeit/?lidx=1
Libraries at Uni Bonn and RWTH Aachen

• As a student you are allowed to use library services at Uni Bonn and RWTH Aachen

• At the library of RWTH Aachen you can use your BlueCard (on the back you’ll find your library number)
  • https://www.ub.rwth-aachen.de/cms/~hame/UB/?lidx=1

• At the library of Uni Bonn you’ll need a library card, for more details see
That’s it for now!
Too much information?

http://www.b-it-center.de/b-it-programmes/msc-in-media-informatics/description/

• The start of your studies might be overwhelming.
• You are (most likely) in a new country with a different language and at a new university with different structures.
• You are also in a cooperative Master program by RWTH Aachen, Uni Bonn and the b-it.
• Things to do next: Take a look at the MI web page for further information.
• When contacting any service please provide your full name, student ID and e-mail address.
Welcome at b-it
Welcome to Bonn/Aachen
Welcome to Germany

We wish you a very successful start in the Media Informatics program!
In case of questions...

• contact msc-mi@b-it-center.de for study-related issues.
• contact the IT-ServiceDesk at RWTH for technical issues.
• contact the ZPA for exam-related issues.
• contact the International Office for organizational issues on your stay.
• contact the HRZ at Uni Bonn for issues with your Uni Bonn ID.
• contact the Systemgruppe IfI/b-it for issues with your b-it account.
