

Industry Symposium on “AI in the Life Sciences” – 2nd Edition

June 23 to 24, 2025
Schloss Birlinghoven, Sankt Augustin

From High-Quality Data to AI-Driven Insights – Transforming Precision Medicine and Clinical Trials

Day 1, June 23: Medical Research Data Ecosystems and Platforms for Federated Data Analysis

- Federated Learning
- Requirements and Implementations
- European Health Data Space
- Large-Scale Platforms
- Data Collaborations

Day 2, June 24: AI Applications in Pharma and Medicine

- AI in Digital Medicine
- AI in Precision Medicine
- AI in Clinical Trials
- Further AI Topics
