Please make sure to complete the form which applies to you. There are **two forms** in accordance with the **different module structures**:

- Module structure - effective from 01 October 2019 - for students who began their studies in the winter semester 2019/2020
- Module structure - effective from 01 October 2017 - applies to students who began their studies either in the winter semester 2017/2018 or 2018/2019

Please register only for those courses in which you intend to participate and get credits. A withdrawal form is also available in the event that you have registered for a lab course or seminar and later on decide that you do not want to fulfil the course requirements for credits.

- Withdrawal from the LCs/seminars is possible one week before the end of the semester, i.e. the latest by **07.07.2023**.
- Withdrawal from LCs/seminars taking place in the semester break is possible one week before the course starting date.
- Withdrawal from lecture courses must take place one week prior to the exam date.
- Please note if you are registered for an exam and cannot attend, you must submit a medical certificate (the form to be completed by your physician is also on our website under Timetable and Exam Schedule) within three days. Failure to do so will result in a grade of "5", so please make sure to take this into consideration.

Unexcused absence during an exam will result in a grade of “5” for this exam attempt. Please take into consideration that you are only granted three exam attempts. If you fail a mandatory course three times, this will result in an ex-matriculation.

For further information, please refer to the exam regulations to be found on the b-it programs, M.Sc. in Life Science Informatics website.

Please do not forget to sign the form! The form should be submitted as a PDF per email to the exam office (examoffice-lsi@bit.uni-bonn.de) at the latest by:

**Friday, 02 April 2023**

Please note that it will not be possible to register for courses after this deadline.
