

Time	Monday		Tuesday			Wednesday			Thursday		Friday	
08:00												
08:15												
08:30												
08:45												
09:00												
09:15												
09:30												
09:45												
10:00			Foundations of Data Science (Flek) 0.109	Process Management (Rose) 0.107	Visual Data Analysis (Schultz) HSZ - HS 3	Visual Data Analysis (Schultz) 0.109	Foundations of Data Science (Flek) 0.109		Lab: Cryptography (Nüsken) 2.113			
10:15												
10:30												
10:45												
11:00												
11:15			Foundations of Data Science (Flek) Exercise 0.109			Privacy Enhancing Technologies (Nüsken) 0.107	Mining Media Data II (Sifa) (0.107)		Dialogue Systems (Flek) 0.109			
11:30												
11:45												
12:00	Privacy Enhancing Technologies (Nüsken) 0.107											
12:15												
12:30												
12:45												
13:00												
13:15							Mining Media Data II (Sifa) Exercise (0.107)		Dialogue Systems (Flek) 0.109			
13:30												
13:45												
14:00	Privacy Enhancing Technologies (Nüsken) 0.107											
14:15												
14:30												
14:45												
15:00												
15:15					Seminar: AI Ethics (Flek) (2.113)	Mining Media Data II (Sifa) Exercise (0.107)		Dialogue Systems (Flek) 0.109				
15:30												
15:45												
16:00	Lab: Cryptography (Nüsken) 2.113	Seminar: Advanced Topics in Cryptography (Nüsken) 0.107										
16:15												
16:30												
16:45												
17:00												
17:15					Lab: Natural Language Processing (Flek) 0.107	Seminar: Data Science for Medical Applications (Sifa) (2.113)	Seminar: Text Mining, (Sifa) 2.113		Pattern Matching and Machine Learning for Audio Signal Processing (Kurth) HS 3, Friedrich-Hirzebruch Allee 8			
17:30												
17:45												
18:00												
18:15												
18:30								Pattern Matching and Machine Learning for Audio Signal Processing (Kurth) HS 3, Friedrich-Hirzebruch Allee 8				
18:45												
19:00												
19:15												
19:30												
19:45
