

Time	Monday	Tuesday	Wednesday	Thursday	Friday	
08:00					Labs (e.g. by Fraunhofer)	
08:15						
08:30						
08:45						
09:00						
09:15						
09:30						
09:45						
10:00	Image Processing	eBusiness	Designing Interactive Systems I	Image Processing		
10:15						
10:30						
10:45						
11:00						
11:15						
11:30				Distributed Ledger Technology		
11:45						
12:00		eBusiness - Exercise				
12:15						
12:30	Cryptography	Explainable AI and Applications	Designing Interactive Systems I - Exercise	Cryptography		Distributed Ledger Technology - Exercise
12:45						
13:00						
13:15						
13:30						
13:45						
14:00						
14:15	Cryptography - Exercise 1	Explainable AI and Applications - Exercise	Speech Assistant Technology & Conversational AI - Lecture and Exercise	Basic Techniques in Computer Graphics	Language, Mind, & Media	
14:30						
14:45						
15:00						
15:15						
15:30						
15:45						
16:00	Cryptography - Exercise 2	Image Processing - Exercise	Speech Assistant Technology & Conversational AI - Lecture and Exercise	Basic Techniques in Computer Graphics - Exercise	Foundations of Audio Signal Processing	
16:15						
16:30						
16:45						
17:00						
17:15						
17:30						
17:45						
18:00						
18:15						
18:30						
18:45
